*) Von hier an theilt sich der ganze Chor der Jünger in drei besondere Chöre, von denen der erste Chor weniger stark zu besetzen ist als der zweite und der dritte Chor.

*) *From this point the full Chorus is divided into three separate choirs of which the first is to be numerically weaker than the second and third.*

*) A partir d'ici le Chœur des disciples se divise en 3 Chœurs différents. Le premier doit toujours être moins fort que les deux autres.

*) Wo der Satz vierstimmig wird sind die Stimmen gleichmässig zu vertheilen, jedoch so, dass die Tenöre immer am stärksten besetzt bleiben.
*) *Where this movement is in 4 parts the Basses are to divide equally, the Tenors still preponderating.*
*) Quand le chœur revient à 4 partier, les 4 voix sont à répartir également. Cependant les ténors doivent toujours être les plus nombreux.
